INTRODUCTION

Guru Angad Dev Veterinary and Animal Sciences University (GADVASU) started functioning on 21st April, 2006 at Ludhiana, as per Punjab Act no. 16 of 2005 to serve the society by promoting livestock production, health and prevention of the diseases through integrated teaching, research and extension programmes. The University was established with the following goals and objectives:

- To provide adequate supply of trained veterinary, dairy and fishery professionals including Master's and Doctorate level specialists capable of handling livestock health and production aspects according to the needs of the State Government and allied agencies.
- To undertake research work in selected areas and wherever applicable, following multi-disciplinary approach.
- To provide opportunities for continuing professional education in veterinary and animal sciences.
- To provide consultancy and specialist services to livestock owners, government, semi-government and allied agencies.
- To run "Referral" hospital for specialized treatment of the livestock patients and to provide clinical training to the students.
- To provide technical expert opinion to different government and other agencies.
- To foster faculty development by providing them opportunities to participate in appropriate training programmes, conferences, workshops, seminars, symposia etc. and avail opportunities in exchange programmes.
- To encourage cooperation and collaboration with other departments, colleges, universities and industries, both national and international.

There are three constituent colleges, viz. College of Veterinary Science, College of Dairy Science & Technology and College of Fisheries, imparting undergraduate and postgraduate teaching in their respective areas. Besides, the university has established a School of Animal Biotechnology and a School of Public Health & Zoonoses to generate scientific expertise and to address various health and environment related issues in congruence to "One Health Concept". Three Regional Livestock Research & Training Centres at Kaljharani (Bathinda), Talwara (Hoshiarpur) and Booh (Taran Taran) and three Krishi Vigyan Kendras (KVK) at Booh (Taran Taran), Handiaya (Barnala) and Mazri (Mohali) have been established to cater to the area specific requirements of livestock sector.

Admission to the various undergraduate courses of the university is made on the basis of merit in the Common Entrance Test (CET) conducted by the university. Candidates with 10+2 in medical stream are eligible for admission in B.V.Sc. & A.H. and B.F.Sc. while those from 10+2 non-medical stream are eligible for admission in the B. Tech. (Dairy Technology). In B. Tech. (Biotechnology), candidates with both 10+2 medical and non-medical stream are eligible for admission.

1. College of Veterinary Science

The College of Veterinary Science was set up in 1969 as a constituent college of the Punjab Agricultural University, Ludhiana. Currently, it is a part of the Guru Angad Dev Veterinary and Animal Sciences University. It carries out teaching, research and extension education programs pertaining to livestock production and health.

The college is recognized by the Veterinary Council of India (VCI) and has been accredited by the Indian Council of Agricultural Research (ICAR). It has 17 departments having excellent laboratory facilities and infrastructure for the undergraduate and postgraduate teaching and research.

There is a well equipped Teaching Veterinary Hospital to cater to the needs of large and small animal health care. In addition, the college also has an elite dairy herd, a poultry farm, a goat farm and a piggery unit. The ICAR has awarded three Centres of Advance Faculty Training, in the Department of Veterinary Surgery & Radiology, Department of Veterinary Gynaecology and Obstetrics and Department of Veterinary Pathology.

The college offers following programmes of veterinary education:

| |
|--|
| B.V.Sc. & A.H. (5½ years) |
| M.V.Sc. (2 years) in 16 disciplines |
| Ph.D. (3 years) in 16 disciplines |

The program leading to the award of the B.V.Sc. & A.H. degree is designed to equip the graduates with the knowledge and skills essential for a career in Veterinary Science. The program is divided into three phases: the pre-clinical phase provides education in basic aspects such as Anatomy, Physiology, Biochemistry and Animal Husbandry through intramural learning. The para-clinical phase includes bridging subjects between the pre-clinical and clinical phases, such as Pathology, Microbiology, Parasitology and Pharmacology. The clinical phase includes Surgery, Medicine and Gynaecology. At the end of the course work, the students undergo a compulsory rotational internship programme of one year in Diagnostic Laboratories, Clinical Practice and Animal Production Technologies.

Successful completion of B.V.Sc. & A.H. programme entitles the graduates to seek mandatory registration with the Punjab State Veterinary Council / Veterinary Council of India as a Registered Veterinary Practitioner.

2. College of Dairy Science and Technology

With approximately 2% of the country's milch animal population and contribution of about 10% to the total milk, Punjab stands at 5th place in milk production in the country. Currently only about 12-14% of milk is processed in the organized sector. The consumption of milk and milk products is expected to grow at 7% per annum against 4% growth in production.

Looking at the potential and demand of the dairy sector, the College of Dairy Science and Technology was established in 2008 to produce quality human resource, to develop new knowledge and technologies in the field of dairying, to conduct trainings and vocational courses for dairy farmers, entrepreneurs and persons from dairy industry, to provide consultancy services to dairy farmers, industry, and various agencies involved in dairy development programmes and to liaise with various dairy development organization(s). The college follows the course curriculum as per the recommendation of the V Dean's Committee set up by the Indian Council of Agricultural Research, New Delhi.

The college is having five departments viz. Department of Dairy Technology, Department of Dairy Engineering, Department of Dairy Economics and Business Management, Department of Dairy Chemistry and Department of Dairy Microbiology.

The college offers the following programmes of study in Dairy Technology:

| |
|---|
| B.Tech. (Dairy Technology) (4 years) |
| M.Tech. /M.Sc. (2 years) 3/1 disciplines |

The college is having well equipped laboratories to conduct practical teaching under UG and PG programmes and to carry out need based research. A centralized computer laboratory with facilities such as AutoCAD, RSM and other analysis software is available with the college. The college has well-equipped lecture halls with latest audio visual teaching aids.

The college has number of research projects from various funding agencies such as DST, UGC, NABARD, MoFPI and schemes under RKVY. Under the projects various technologies related to milk handling and processing has been developed. The college has successfully transferred one of the technology to industry for its commercialization and popularization and several other are in process.

Experimental dairy plant of the college is one of the excellent features of the infrastructure with milk handling capacity of 5000 litre per day.

3. College of Fisheries

Since its establishment in 2008, the College of Fisheries has registered a commendable academic growth and has made significant contributions in the development of the fisheries sector in the State. It produced quality skilled graduates and postgraduates in Fishery Sciences, generated need based technologies for vertical as well as horizontal expansion of aquaculture sector and transferred technologies to the farmers through an efficient 'Lab to Land' extension programme. Fisheries sector is providing food security and employment opportunities to millions of people. Next to China, India occupies 2nd position in global fish production from inland resources with a commendable annual growth rate of over 6%. After green and white revolution, Punjab is also moving very fast towards 'Blue Revolution' with substantial resources to tap the potential.

The college offers the following programmes of study in fishery sciences:

| |
|--|
| B.F.Sc. (4 years) |
| M.F.Sc. (2 years) in 3 disciplines |
| Ph.D. (3 years) in 2 disciplines |
| Diploma in Inland Fisheries (1year) for nominated inservice candidate |

The College is well equipped with an instructional cum experimental farm spread over 3 ha of land area for UG and PG teaching, demonstrations and research, including nursery ponds, rearing ponds, stocking/production ponds, demonstration ponds, integrated models, modern indoor as well as outdoor hatcheries for carps, catfishes and ornamental fishes, poly houses for overwintering of cold sensitive species, aquarium house, aquatic plant rearing unit, feed mill, raceway etc. College also has excellent laboratories equipped with modern instruments and facilities for advanced teaching and research. The curriculum of all the UG and PG degree programmes is as per ICAR recommendations, which is delivered to the students through various efficient learning tools, to inculcate in-depth knowledge and skills in them for professional efficiency.

The college has developed many region specific need based technologies for sustainable aquaculture productivity,

with special reference to small and marginal farmers. The college has motivated many farmers to take up fish farming as a remunerative enterprise for diversification.

4. School of Animal Biotechnology

During the last three decades, molecular biology and biotechnology have emerged with extensive applications in animal husbandry, medicine, industry and environmental sciences. Recognizing the immense potential of biotechnology in farm animal sector, GADVASU established the Department of Animal Biotechnology in 2008. Later it was upgraded to the School of Animal Biotechnology in 2010 with the mandate to integrate and strengthen the research in various facets of molecular biology to improve the livestock productivity and health.

The main objectives are to generate scientific expertise and human resource in various facets of animal biotechnology, to develop specialized and state of art facilities for research in cutting edge fields of biotechnology and to undertake research in different areas of molecular biology and biotechnology for improving animal health and productivity.

The school has dedicated faculty with international exposure and involved in basic and applied research spanning wide spectrum of areas like genomics, molecular diagnostics, vaccinology, stem cell biology, cancer biology, proteomics and bioinformatics with substantial funding from different central agency like DBT, UGC, DST, ICAR, ICMR etc. the school is having excellent laboratory for teaching and research and is having well equipped lecture halls with latest audio-visual aids.

The school offers the following programmes of study in biotechnology:

| |
|--|
| B.Tech. (Biotechnology) (4 years) |
| M.V.Sc./M.Sc. (2 years) |
| Ph.D. (3 years) |

B. Tech. (Biotechnology), M.V.Sc./M.Sc. and Ph.D. programmes in Animal Biotechnology/ Biotechnology follow the course curriculum as recommended by the Indian Council of Agricultural Research. The curriculum

has been designed in such a way that the students are developed not only for carrier in teaching and research but imparted skills required by the industry and corporate world.

5. School of Public Health and Zoonoses

The University has established a School of Public Health and Zoonoses, which has the mandate of teaching and research on diagnosis and prevention of zoonotic diseases; food safety and quality control; environmental hygiene and pollutants; and food borne pathogens and their toxins.

The school offers the following programmes of study in Veterinary Public Health and Epidemiology

| |
|--------------------------|
| M.V.Sc. (2 years) |
| Ph.D. (3 years) |

6. Veterinary Polytechnic

University also runs a Two-year programme leading to award of Diploma in Veterinary Science and Animal Health Technology at Veterinary Polytechnic, Kaljharani, Bathinda; for which there is a separate Prospectus and academic schedule.

Medium of Instruction

Instructions in all the degrees and diploma courses are carried out in English language.

The syllabus of the courses studied at 10+1 and 10+2 level along with the website address of the institute needs to be attached with the application. **Mere processing of application does not guarantee admission to the programme applied for.** NRI candidates seeking admission to M.V.Sc. and Ph.D. programmes may be considered for admission, provided they fulfill the prescribed qualifications as for general candidates. Their merit will be prepared on basis of qualifying examination.

4. The admission and tuition fee (see page 28) shall be payable by bank draft in US Dollars issued against the bank account of NRI in the country in which he/she is residing or in the shape of bank draft in an equivalent amount in Indian currency issued against his/her NRI account, maintained in India. In the later case, the candidate is required to submit a certificate from the bank that the draft has been issued against his/her NRI account. The bank draft should be drawn in favour of the Comptroller, GADVASU payable at any scheduled bank at Ludhiana, India. The hostel dues and other fees and sundry charges as applicable will be charged, in addition to admission fee, as per University rules in Indian currency.
5. The NRI candidates are required to attach a photo copy of birth certificate/citizenship certificate and passport or any other valid document duly attested by the Magistrate with the application form.

9. Rules and regulations for admission of foreign students (other than NRIs)

1. The candidates from foreign countries will be admitted (in absentia) against additional seats without appearing in the entrance test. Their admission will be regulated by the ICAR, New Delhi. They will be **admitted only if they have valid student visa**. They must be declared medically fit (Attach **Annexure F**) by the Medical Officer authorized by the Indian Embassy in the country from where the student wishes to seek admission. They should have full medical insurance

before their admission to any programme in the University.

2. All foreign students will be charged Institutional Economic Fee @ US \$ 4000 per year per student. The students of SAARC countries will be charged an institutional economic fee of US \$ 2000 per year per student. The institutional economic fee will not be charged from the candidates, admitted by the Govt. of India with suitable fellowship such as scholarship under Nepal Aid Fund, Colombo Plan, Indian Technical and Economic Cooperation Programme, General Cultural Scholarship and Cultural Technical Exchange. The institutional economic fee will be charged for two years for Master's programme and three years for Ph.D. programme only. However, the students will have to deposit tuition fee and other usual charges for the period they remain enrolled in the programme.

Sir/Madam

I am directed to invite your attention to the Punjab Government Circular letter No.1/3/95-3PPH/2043, dated 29.1.1996 vide which the instructions were issued regarding simplification of procedure for obtaining the certificate of Domicile for the purpose of admission to educational institutions (including technical/medical institutions). The matter has been reconsidered in the light of judgement delivered by Hon'ble Supreme Court of India in the case of Dr. Pradeep Jain vs. Union of India and others reported as AIR 1984-SC-1421 wherein it was held that instead of the word 'Domicile' the word 'Residence' be used in the instructions issued by the State Governments on the subject. Accordingly, it has been decided by the Government to revise the Government instructions referred to above as under:

**Self declaration/Certificate and the
Authorities competent to issue the same**

- (a) Citizens of India
- (b) Produced an affidavit to the effect that they or their children/wards have not obtained the benefit of residence in any other State.

FEE CONCESSION FOR ALL CLASSES

The Dean of the concerned College can remit half tuition fee to 10 per cent of students in each class on merit-cum-means basis to help such students having financial difficulty in continuing their studies in the college. Application for the concession should be made to the concerned Dean with details of the financial position of the family. The application should be supported by certificates from responsible persons (Gazetted Officer, Head of the Institution last attended or a teacher in the College) having personal knowledge of the financial position of the student. The half fee concession is granted subject to the condition that the student will be regular in attendance and that he / she will show satisfactory progress in his/her studies. The concession may be withdrawn on misconduct, irregularity in attendance or failure in any of the courses in an examination.

1. The fee concession will be granted to the dependents/wards of group C&D employees/retirees of GADVASU. Full tuition fee and half tuition fee concession will be granted to first and second children, respectively. The word dependent relates to spouse who will be eligible to avail full concession in tuition fee if she/he does not have any source of income. In case, both the spouse and a ward are studying in this University, the one who gets admission first can avail full concession and the other, half concession in tuition fee.
2. Candidates admitted under SC category whose parents/guardians annual income is less than 2.5 lac and avail Post-matric Scholarship as per guidelines of Govt. of India and Punjab Govt. Full concession in admission/tuition fee and other non-refundable charges.
Candidate availing this concession will have to submit an affidavit with respect to family income and income certificate from Tehsildar (as per **Annexure-IX**).

Note :

- a) The above concessions may be withdrawn on account of mis-conduct and indiscipline on part of the student(s).
- b) These concessions will not be granted to the students who are on 'Scholastic/Conduct Probation'. The students who are re-admitted after having been dropped under Semester Rules will not be eligible for these concessions during the first year of their re-admission.
- c) The above concession will not be granted to NRI candidates.
- d) Students under SC category who wish to avail the scholarships should submit their forms to the respective Dean's office by February for timely processing.

REGULATIONS REGARDING RUSTICATION AND EXPULSION OF STUDENTS

1. The Dean of the college shall have the power to expel or rusticate a student for sufficient reasons including acts of indiscipline and misconduct inside or outside the college.
2. Cases of rustication and expulsion shall be reported to the Registrar by the Dean of the College immediately after rustication or expulsion for registration and notification.
3. The Dean may revise his decision within 15 days of the date of passing of the order of rustication or expulsion. The revised decision together with reasons shall be communicated to the Registrar for being placed before the Academic Council.
4. The Registrar shall notify the orders of rustication/expulsion to the College/Colleges, Union/State Public Service Commission, State Education Board and other Universities immediately after the expiry of 15 days period allowed to the Dean for revision of the decision.
5. The minimum period of rustication shall be two semesters and the maximum period of rustication shall be four semesters.
6. The student under rustication shall have the option of rejoining the class during the ensuing semester after the expiry of the period of rustication.
7. It shall be obligatory on the part of the college to re-admit a rusticated student if he/she wishes to rejoin after the expiry of the rustication period.
8. The name of the rusticated student shall not be maintained on the rolls of the college nor shall any fees be charged during the period of rustication.
9. A student expelled from the college shall not be allowed to seek fresh admission into the same college or into another college without the sanction of the Academic Council. In no case such a student shall be allowed to do so before the expiry of two academic years excluding the academic year in which he/she was expelled.
10. When facts come to the knowledge of the Vice-Chancellor which makes him think that the order of the Dean requires revision, the Vice-Chancellor may bring the case to the notice of the Academic Council after consideration of which, the decision of the Academic Council shall be final.
11. **Ragging is strictly prohibited in the Colleges as well as in the hostels. Any student found indulging in the act of ragging will be strictly dealt with according to the directions given by the Hon'ble Supreme Court of India. According to Raghavan Committee observations, ragging has several aspects including psychological, social, political, economic, cultural and academic dimensions.**
Antiragging committees and squads at the college level had been constituted to keep a check on the incidents of ragging. Every student as well as his parents/guardian is supposed to submit an affidavit that he/she or their ward will desist from ragging in any form. If found guilty, it may invite punishment upto expulsion from the institute or registration of F.I.R. under provisions of the Indian Penal Code.

FORMULA FOR INTERCONVERSION OF OGPA/OCPA AND AGGREGATE PERCENTAGE OF MARKS UNDER THE TRADITIONAL SYSTEM OF EXAMINATION

The following formulae have been adopted by the University to determine the equivalence of each grade point average from 1 to 4/overall credit point average from 1 to 10 under the semester system in terms of the percentage of marks awarded under the traditional system of examination.

1. For conversion of Overall Credit Point Average (OCPA) into percentage of marks:

$$Y = 10Z$$

Where Y = Percentage of marks in the traditional system

Z = Overall Credit Point Average (OCPA) in 10.00 point system of evaluation.

2. For conversion of Overall Grade Point Average (OGPA) into OCPA:

(a) For Undergraduate programme

$$Z = (50 - 10X + 5X^2)/10$$

Where Z = OCPA in 10.00 point system of evaluation

X = OGPA (Maximum=4.00) in the letter grade system of evaluation.

(b) For Postgraduate Programmes

$$Z = (25X - 15)/10$$

Where Z = OCPA in 10.00 point system of evaluation

X = OGPA (maximum=4.00) in the letter grade system of evaluation

3. For conversion of Overall Grade Point Average (OGPA) into Percentage of marks for B.VSc. & A.H. as per VCI guidelines

$$\text{Percentage of Marks} = \text{OGPA} \times 100, \text{ divided by } 10$$

- A. 0.67
B. 5.00
C. 0.20
D. 1.5

CHEMISTRY

- Q 1. Which of the following is the best oxidizing agent?
- A. O_2
B. F_2
C. Na
D. Li
- Q 2. Oxidation of acetaldehyde with SeO_2 forms:
- A. Ethanoic acid
B. Methanoic acid
C. Glyoxal
D. Oxalic acid
- Q 3. The least basic among the following is:
- A. NH_3
B. $C_6H_5NH_2$
C. $(C_6H_5)_3N$
D. $(C_6H_5)_2NH$

BIOLOGY

- Q 1. Which of the following tissues is composed of dead cells?
- A. Periderm
B. Collenchyma
C. Parenchyma
D. Lateral meristem
- Q 2. Cell theory was proposed by:
- A. Anton Von Leeuwenhoek
B. Robert Brown
C. Schleiden and Schwann
D. Rudolf Virchow
- Q 3. Number of oxygen molecules required during glycolysis of one molecule of glucose are:
- A. Zero
B. 2
C. 36
D. 38

MATHEMATICS

- Q 1. The smallest value for which $\left(\frac{1+i}{1-i}\right)^x = 1$ is:
- A. $x = 8$
B. $x = 12$
C. $x = 16$
D. none of these
- Q 2. If in two circles, arcs of same length subtend angles of 60° and 75° at the centre, then ratio of their radii is:
- A. 4 : 5
B. 5 : 4
C. 2 : 3
D. none of these
