Message

Dr. Jatinder Paul Singh Gill
Vice-Chancellor

It gives me immense pleasure to welcome you to Guru Angad Dev Veterinary and Animal Sciences University, Ludhiana—a premier institution dedicated to excellence in Veterinary Science, Animal Husbandry, Dairy Technology and Fisheries Education. Rooted in a rich legacy of excellence and guided by a forward-looking vision, our university is committed to nurturing competent, ethical, and socially responsive professionals who will shape the future of the animal husbandry dairy and fishery sector at national and global levels. As you begin this academic journey with us, you become part of an institution that has consistently contributed to transformative advancements in animal health and production.

Our accomplished faculty, eminent academicians, researchers and mentors deliver an education that goes beyond conventional learning. By integrating strong theoretical foundations with hands-on training, we ensure that our graduates are not only academically competent but also professionally confident and industry-ready. With state-of-the-art laboratories, modern research infrastructure and robust digital resources, the university fosters an ecosystem where inquiry, creativity and innovation thrive. Our focus on need-based and translational research enables us to address real-world challenges while contributing meaningfully to scientific advancement.

Education at our university extends well beyond classrooms and laboratories. A vibrant campus life, cultural diversity and opportunities for leadership and community engagement help in shaping all rounded individuals. We believe that true education nurtures character, values and social responsibility alongside academic growth.

The university offers a comprehensive range of undergraduate, postgraduate and doctoral programmes across Veterinary Sciences, Dairy and Food technology, Fisheries and Animal Biotechnology.

What truly distinguishes our institution is its unwavering commitment to ethical practices, societal relevance and nation-building. We strive to prepare our students not merely for successful careers, but for purpose-driven lives, where their knowledge and skills contribute to animal welfare, food security, public health and sustainable rural prosperity.

For the academic session 2026-27, we look forward to welcoming bright, motivated and talented students from across the country who aspire to excel in a rigorous yet nurturing academic environment.

Join us in our mission to uplift animal husbandry, Dairy & Fisheries sector, strengthen rural livelihoods and contribute meaningfully to India's socio-economic development.

Together, let us build a future where scientific excellence is guided by compassion and service.

Best wishes for a bright future,

Vice-Chancellor

VETERINARY COLLEGES OF THE UNIVERSITY

2.1 INTRODUCTION

(A) College of Veterinary Science, Ludhiana

The College of Veterinary Science was set up in 1969 as a constituent college of the Punjab Agricultural University, Ludhiana. With the formation of new University, it became a part of the Guru Angad Dev Veterinary and Animal Sciences University in 2006. The college has 17 departments with excellent laboratory facilities and infrastructure for undergraduate and postgraduate teaching and research.

The college owns a well-established Livestock Farm Complex comprising of an elite dairy herd, a poultry farm, a goat farm and a piggery unit. Multi-Speciality Veterinary

Hospital caters to the need of large and small animal healthcare. The college has distinction of having three ICAR Centers of Advance Faculty Training in Department of Veterinary Surgery and Radiology, Veterinary Gynaecology and Obstetrics, and Veterinary Pathology.

Bachelor of Veterinary Science and Animal Husbandry (B.V.Sc. & A.H.) degree is designed to equip the graduates with the knowledge and skills essential for a career in Veterinary Science and Animal Husbandry as per Veterinary Council of India (VCI) norms. The programme is divided into three phases: the pre-clinical phase to provide education in basic aspects such as Veterinary Anatomy, Physiology, Biochemistry, Genetics, Breeding and Extension. The para-clinical phase includes bridging subjects between the

pre-clinical and clinical phases such as Veterinary Pathology, Microbiology, Public Health, Epidemiology, Parasitology, Pharmacology, Toxicology, Nutrition, Livestock Farm Practices and Livestock Products Technology. The clinical phase includes Veterinary Surgery & Radiology, Medicine, Gynaecology and Obstetrics. After the end of the course

work, the students undergo a compulsory rotational internship programme.

Successful completion of B.V.Sc. & A.H. programme entitles the graduates to seek mandatory registration with Punjab State Veterinary Council/VCI as a Registered Veterinary Practitioner. The college is recognized by VCI and all the ongoing UG and PG programmes in the college have been accredited by the ICAR with 'A' grade.

Academic Programmes

The college offers the following academic programmes in Veterinary Science:

CHAPTER III

COLLEGE OF DAIRY AND FOOD SCIENCE TECHNOLOGY

3.1 INTRODUCTION

College of Dairy and Food Science Technology, Ludhiana is one of leading institution of dairy & food science education and research at national level. It was established as College of Dairy Science & Technology in the year 2008 as one of the Constituent Colleges of GADVASU, to meet the growing demands for skilled professionals and to promote excellence in education, research, innovation and technology transfer in the dairy and food sector.

The academic framework of the college is anchored by two flagship undergraduate programmes – B.Tech (Dairy Technology) and B.Tech (Food Technology). These are four-year degree program during which students are trained in such a way so that they are ready in for both technical and managerial jobs in dairy and food industry. The college facilitates structured campus placement and industry interaction opportunities to enhance student's professional exposure and employability across the dairy and food sectors.

The college was renamed as College of Dairy and Food Science Technology following the introduction of new B.Tech. (Food Technology) Programme from academic

session 2024-25 onwards.

Both the UG programmes incorporates multiple entry and exit options within the stipulated duration, with appropriate certifications, such as UG Certificate (Food Technology) & UG Certificate (Dairy Technology) after completion of one year and UG Diploma (Food Technology) UG Diploma (Dairy Technology) after completion of two years of study. Designed to integrated theoretical knowledge with hands-on experience, the curriculum encompasses key areas including dairy and food process technology, dairy & food safety and quality assurance, dairy & food process engineering, and food business management. Leveraging state-of-the-art infrastructure and strong industry linkages, students acquire practical insights and skill sets essential for success in the dynamic field of food technology.

To impart quality education and training, the college is equipped with excellent infrastructure, including modern classrooms and well-equipped laboratories with advanced analytical instrumentation facilities. In addition, the college operates an Experimental Dairy Plant throughout the year, which facilitates hands-on-training for students. Beyond physical infrastructure, the college has a pool of young, dynamic and highly qualified faculty members with

exposure to premier institutes of international repute. The accreditation of the academic programmes by ICAR, New Delhi, with an ‘A’ grade is a testament to the quality of education and training imparted by the college.

The college also offers Master’s degree programmes and Ph.D. programmes as mentioned in Table under 3.2. During their Master’s and Ph.D. Programmes, students are actively engaged in theme-specific research, leading to the generation of data and scholarly outputs in the form of theses, research publications, patents etc. The college has established numerous active collaborations with industry partners and academic and research institutions at both

national and international levels, providing students with opportunities to work and learn in a dynamic research environment. Alumni of the college are employed across various dairy and food industries in India and are also pursuing higher education and professional careers in countries such as the USA, New Zealand, Canada, and Australia.

To meet the growing demand for skilled floor-level manpower in the Dairy and food industries, the college has also introduced two short-term courses of eight weeks’ duration from the academic session 2022-23 onwards, with an intake capacity of 15 candidates per batch.

COLLEGE OF FISHERIES

4.1 INTRODUCTION

College of Fisheries (COF), one of the constituent colleges of Guru Angad Dev Veterinary and Animal Sciences University, was established in April, 2008, to produce professionally competent human resource (graduates and postgraduates) to serve the fisheries sector in different capacities (teaching, research, extension, planning and livelihood generation) for holistic development through productivity enhancement and socio-economic sustainability. Since its establishment, the College has registered a commendable academic growth and has made significant R&D contributions for the development of the inland fisheries sector in the north-western region of India. With five departments, competent experienced faculty, smart classrooms, fully equipped modern laboratories and a well-developed “Instructional cum Research Farm” (spread over an area of 6 ha), COF, Guru Angad Dev Veterinary and Animal Sciences University possesses hi-tech facilities for effectual teaching, capacity building (experiential learning, skill development, trainings and demonstrations), advanced research and extension programs.

Fisheries college is accredited by the ICAR with “A” grade for 5 years from 2023-2028 and is offering undergraduate (UG) and postgraduate (PG) degree programmes i.e., Master in Fisheries Science (M.F.Sc) and Doctorate of Philosophy in different disciplines of fisheries.

4.2 ACADEMIC PROGRAMMES

The College offers the following academic programmes:

Level	Programme	Minimum Duration
Undergraduate	Bachelor of Fisheries Science (Hons.) - B.F.Sc. (Hons.)	4 Years
Postgraduate	Master of Fisheries Science (M.F.Sc.)	2 Years

Doctorate	Doctor of Philosophy (Ph.D.)	
	1. Aquaculture 2. Fisheries Resource Management 3. Aquatic Environment Management 4. Fish Processing Technology	3 Years

The course curriculum of its four-year UG degree programme, Bachelor of Fisheries Science (Hons.)- B.F.Sc. (Hons.), is being offered as per Indian Council of Agricultural Research (ICAR)- 6th Deans' Committee Report-2024, with provision of "Multiple Exit and Multiple Entry (MEME)" as per National Educational Policy-2020 (NEP-2020) guidelines for higher educational institutes (HEIs). The B.F.Sc. (Hons.) degree programme consists of eight semesters (total credits 186). The first year of the course is dedicated to knowledge and skill enhancement, including applied aspects of fisheries and the second year has been designed with practical exposure on fisheries as well as skill enhancement courses (SECs), enabling the students to get acquainted with basic principles and applications of fisheries and aquaculture. During the first 2 years, the students will have flexibility to choose skill enhancement areas from a basket of SECs with provision to exit after successful completion of 1st and 2nd year of the programme and the internship requirements.

The third and fourth years of the programme are designed to impart in depth knowledge on different aspects

of fisheries and aquaculture, with study tour of 2 weeks, flexibility to undertake elective courses as per specific needs and STUDENT READY PROGRAM (20 credits) including (i) Rural Fisheries Work Experience (RFWE), (ii) Experiential Learning (EL), (iii) In-plant Training/ Industrial Attachment, (iv) Project Work and (v) Seminar to enhance learning outcome and professional competency of passing out fisheries graduates.

B.F.Sc.(Hons.) Degree Programme - MEME details.

S. No.	Number of Semester/ Years Completed	Award of Certificate/ Diploma/Degree

2.	4 Semester/ 2 Year	UG- Diploma in Fisheries Science
3.	6 Semester/ 3 Year	No Exit
4.	8 Semester/ 4 Year	B.F.Sc. (Hons.)

Note: Issuing Authority for degree/diploma/certificate will be the Registrar, Guru Angad Dev Veterinary & Animal Sciences University.

The candidates holding UG - Certificate and UG-Diploma in Fisheries Science will be eligible to re-enter the 4-year degree programme in 2nd and 3rd year of the programme, within 3 years of award of UG-Certificate and UG-Diploma in Fisheries Science, respectively.

In addition to the prescribed courses, students will also have freedom to opt for 10 credits of non-credit courses from MOOCs/SWAYAM or any other online portal to groom their interest in multiple subjects like agriculture, basic sciences, humanities, economics, business management, communication skills, Indian/foreign languages etc.

The programme also aims in building confidence, instilling skills and acquiring indigenous technical

knowledge of the region, thereby preparing the pass-out for self-employment as well.

The curriculum of the PG degree programmes offered by the college viz. 2 years Master of Fisheries Science (M.F.Sc.) and 3 years Doctor of Philosophy (Ph.D.), is based on recommendations of the ICAR - BSMA (Broad Subject Matter Area) - Fisheries Science - 2020.

The doctoral students may be considered for award of *Teaching Assistantship* in their respective departments. The teaching assistantship will be offered to students who have successfully completed their course work and preference will be given to students who have cleared their comprehensive examination, as per the approved guidelines of the university. It will help the students to acquire teaching skills, besides active participation in student evaluation and other academic processes, which will enhance their professional skills for placement.

CHAPTER V

COLLEGE OF ANIMAL BIOTECHNOLOGY

5.1 INTRODUCTION

During the last three decades, molecular biology and biotechnology have emerged with extensive applications in animal husbandry, medicine, industry and environmental sciences. Recognizing the immense potential of biotechnology in animal sector, the Guru Angad Dev Veterinary and Animal Sciences University established the Department of Animal Biotechnology in 2008.

It was designated as School of Animal Biotechnology in 2010 and upgraded to College of Animal Biotechnology in 2019.

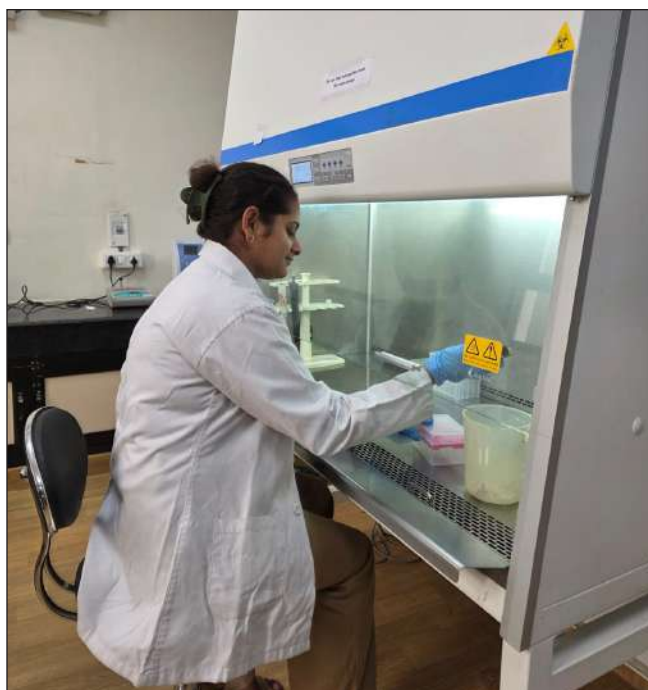

The mandate of the college is to generate scientific expertise and human resource in various facets of animal biotechnology and to develop specialized facilities for research in cutting-edge fields of biotechnology. The college is also involved in basic and applied research spanning a wide-spectrum of areas like genomics, molecular diagnostics, vaccinology, stem cell biology, cancer biology, proteomics, and bioinformatics.

To cater the needs of undergraduate and postgraduate teaching and research, three departments viz., Animal Biotechnology, Microbial & Environmental Biotechnology

and Bioinformatics have been created with excellent infrastructure and laboratory facilities. For the UG and PG teaching, the college is following the course curriculum as recommended by the ICAR.

The course curriculum of four-year UG degree programme, B.Tech.(Biotechnology), is offered as per Indian Council of Agricultural Research (ICAR)- 6th Deans' Committee Recommendations, with provision of "Multiple Exit and Multiple Entry (MEME)" as per National Educational Policy-2020 (NEP-2020) guidelines for higher educational institutes (HEIs). The B.Tech. (Biotechnology) degree programme will constitute of eight semesters.

B.Tech (Biotechnology) Degree Programme - MEME details.

S. No.	Number of Semester/ Years Completed	Award of Certificate/ Diploma/Degree
1.	2 Semester/ 1 Year	UG - Certificate in Biotechnology
2.	4 Semester/ 2 Year	UG- Diploma in Biotechnology
3.	6 Semester/ 3 Year	No Exit
4.	8 Semester/ 4 Year	B.Tech (Biotechnology)

Note: Issuing Authority for degree/diploma/certificate will be the Registrar, Guru Angad Dev Veterinary & Animal Sciences University.

5.2 ACADEMIC PROGRAMMES

The College offers the following academic programmes in biotechnology:

Level	Programme	Minimum Duration
Undergraduate	B.Tech. (Biotechnology)	4 years
Postgraduate	1. M.V.Sc. (Veterinary Biotechnology) 2. M.Sc. (Agri) Molecular Biology and Biotechnology 3. M.Sc. Molecular Biology and Biotechnology with specialization in Animal Biotechnology	2 years
Doctorate	1. Ph.D. (Veterinary Biotechnology) 2. Ph.D. (Molecular Biology and Biotechnology)	3 years

Note

1. Minimum residential requirements of students being admitted to Master Programme with 3 year UG degree will be of 2½ years, as they have to clear all the approved credits toward deficiency course required for the award of Master degree.
2. Minimum residential requirements of students being admitted to Ph.D. Programme with 3 year UG degree and 2 years PG Masters Programme will be of 3½ years, as they have to clear all the approved credits toward deficiency course required for the award of Doctoral degree.

		Dairy Chemistry	B.Tech. (Dairy Technology/Food Technology) (4-year programme).
	M.Sc. (Agri)	Agricultural Economics	B.Tech. (Dairy Technology /Food Technology)/ B.Sc. (Agriculture Hons.), B.A. (Economics Hons.) (4-year degree programme).
College of Animal Biotechnology	M.V.Sc.	Veterinary Biotechnology	B.V.Sc. & A.H. or equivalent degree from a college recognized by the VCI. The candidate must be registered with the VCI/SVC.
	M.Sc. (Agri)	Molecular Biology & Biotechnology,	B.Tech. (Biotechnology/Bioinformatics)/B.Sc. (Biotechnology/Bioinformatics)/B.Sc. Hons. (Biotechnology/Bioinformatics) - 4 year degree programme.
	M.Sc.	² Molecular Biology & Biotechnology with specialization in Animal Biotechnology	

Note:

- (i) ¹For enlisted M.Tech. programmes, preference will be given to the candidates with B.Tech. (Dairy Technology) degree.
- (ii) Students may have to clear deficiency courses as suggested by the student's advisory committee.
- (iii) ²Candidates admitted under DBT-Postgraduate Teaching Programme.

B. Selection Criteria

6.2.3 Selection Criteria for Master's Programmes (Other than NRI/OCI)

(a) For M.V.Sc. programmes:

Eligible Candidates resident of Punjab and Union Territory of Chandigarh will be considered on the basis of MET-Vet 2026-27 score with the following criteria.

Mode of Admission for M.V.Sc. Programmes	MET-Vet 2026-27 Score (Weightage-100%)
Syllabus:	B.V.Sc. & A.H. syllabus as prescribed by VCI as per Minimum Standards of Veterinary Education-2016
Pattern of Examination and Marking System	The questions will be Multiple Choice Questions (MCQ) with four options. There will be only one correct answer in the four options. Negative marks will be awarded for marking wrong answer.
Total number of questions	180
Marks per question	04
Total Marks	720
Negative marks for each wrong answer	-01
Time to be allotted	03 hours

Figures in parenthesis () indicate number of seats for which nominations are to be made by the ICAR / VCI.

Note:

(i) NRI/OCI Category:

Under NRI/OCI category, two additional seats in Master's programme and one additional seat in Ph.D. programme may be filled in each discipline of all constituent colleges.

(ii) Self-financed Category:

(a) In College of Veterinary Science Ludhiana, in Master's programme two additional seats and in Ph.D. programme one additional seat may be filled in each discipline under Self-financed category.

(b) In College of Dairy and Food Science Technology Ludhiana, two additional seats in M.Tech.(DT) and one additional seat each in other disciplines of the Master's programme may be filled under Self-financed category.

(c) In Master's programmes in College of Fisheries and College of Animal Biotechnology, one additional seat in each discipline may be filled under Self-financed category.

(iii) Economically Weaker Section (EWS) Category:

(a) In College of Veterinary Science (COVS) Ludhiana, in Master's programme four additional seats may be filled under EWS category. For seat

allotment, all the Master's disciplines in COVS are divided into four groups viz., **Group A** - Veterinary Surgery & Radiology, Veterinary Medicine, Animal Reproduction Gynaecology and Obstetrics and Veterinary Pathology; **Group B** – Veterinary Public Health & Epidemiology, Veterinary Parasitology, Veterinary Pharmacology & Toxicology and Veterinary Microbiology; **Group C** - Veterinary Anatomy, Veterinary Physiology, Veterinary Biochemistry and Veterinary Extension Education; **Group D** - Animal Nutrition, Animal Genetics & Breeding, Livestock Production Management and Livestock Products Technology.

In every academic year, one seat will be allotted to each group of disciplines. Based on their merit, candidates can opt for one discipline out of these four groups in a given academic year. In subsequent year(s), the next candidate cannot opt for the same discipline in which seat has been allocated in previous year(s). The same discipline in a group where the students in earlier years have been admitted under EWS category, shall be allowed every third year. i.e. after a gap of two years as per roster.

- (b) In Master’s programmes in College of Dairy and Food Science Technology, College of Fisheries and College of Animal Biotechnology, one additional seat in each college may be filled under EWS category. Based on their merit, candidates can opt for one discipline in their respective college in a given academic year. In subsequent year(s) the next candidate cannot opt for the same discipline in which seat has been allocated in last year.
- (iv) One additional seat under Sportspersons/NCC Cadets category is reserved in Master’s programme of College of Veterinary Science Ludhiana, and shall be filled up in different disciplines of the college. This seat may be allotted as per choice of the candidate. Other rules and guidelines as mentioned elsewhere in the prospectus will remain the same.
- (v) In Master’s programme, there will be one additional seat for Kashmiri migrants in each constituent college. This seat may be allotted as per the choice of the candidate in each college. However, the same discipline where a student in earlier years have been admitted under Kashmiri Migrant category, next candidate shall be allowed every third year.
- (vi) In Master’s programmes, not more than one candidate, out of the Sportspersons/NCC Cadets and Kashmiri

Migrants category will be admitted in any one discipline as per the merit list among these categories of eligible candidates. However, preference will be given to Sportspersons/NCC Cadets category.

- (vii) In no discipline, all the seats will be allowed under reservation categories, and at least one seat will be made available under open quota.
- (viii) In postgraduate (Master’s and Ph.D.) programmes, one additional seat in each discipline may be filled under in-service category. If required, seat(s) can be increased in the required discipline(s) with the permission of competent authority.
- (ix) Seats remaining vacant under ‘ICAR Nominee’ category will be filled up on open merit basis from all other eligible candidates as per university procedure.
- (x) The fee structure and number of seats in any programme and category can be changed by the competent authority of the University without any notice.
- (xi) The seats remaining vacant under reserve categories, if any, shall be offered to the candidates competing on open merit basis during the last counselling.

4. The students will be awarded with the Satisfactory (S)/Unsatisfactory (US) grade.
5. If a student obtains 'US' grade, he/she shall have to register for the same R & V NCC course in the subsequent year. However, a student cannot register simultaneously for more than one course. If the student obtains 'US' grade at the end of 3rd year, he/she shall have to register for making up R & V Sqn. NCC deficiency in the 4th academic year in addition to regular courses.
6. It is mandatory for every student to attend one annual training camp in the 2nd year of B.V.Sc. & A.H. as a part of the degree requirement.
7. A student on successful completion of Group-I, Group-II and Group-III R & V Sqn. NCC courses and attending one annual training camp may be relieved

from R & V Sqn. NCC, and he/she will be eligible to start his/her internship programme.

8. In case, due to some emergency, the R & V Sqn. NCC authorities are not able to arrange the compulsory annual training camp; the Vice-Chancellor may relax such regulations concerning the annual training camp, as it cannot be completed.
9. The Dean, College of Veterinary Science shall be the Overall in-charge for this programme.
10. The B.V.Sc. & A.H. students opting for the NSS programme will be governed by the rules mentioned at 9.2.2.

9.2 Regulations Regarding NSO, NSS and CCA

The students admitted in B.F.Sc.(Hons.), B.Tech. (Dairy Technology), B.Tech. (Food Technology) and B.Tech. (Biotechnology) are required to participate in any one of the NSO, NSS and CCA programmes during the first and second year of the degree programme (as applicable). It is specified that the NSO will be assigned to only those students who show marked proficiency in sports. The programme of NSO shall be optional for the students other than in the first and second year. The foreign nationals are exempted from NCC/ NSO and shall have an option to register either NSS or CCA. Immediately after admission, the concerned Dean/Director Students' Welfare shall enroll the students under the particular programme and submit the list to the Registrar for completing the personal files of the students. The students enrolled in a scheme, shall not ordinarily be allowed to change it afterwards.

9.2.1 NSO

1. Undergraduate students who register for NSO, shall complete the requirements in the first four semesters of their studies.
2. The students opting for NSO training shall have to devote 150 hours of actual play in a year. Failure to attend 75% training period during a semester will lead to award of 'US' grade to the student. If a student fails to obtain 'S' grade at the end of second/fourth semester,

he/she shall have to register for subsequent semester for making up deficiency of NSO training only, in addition to regular courses in the next semester.

3. Attendance of 75% training period in a semester/year is compulsory. The Vice-Chancellor may grant exemption in NSO to a student on medical grounds on the production of a medical certificate from the University Medical Officer and recommendation by the Director Students' Welfare
4. It is mandatory for the students undergoing NSO training to attend one training camp of 20 days within the first four semesters of training failing which he/she has to register for the next semester to enable him/her to make-up for the deficiency of the camp.
5. A student who has undergone NSO training in some other college/institute for a complete academic year, may be exempted from NSO training for the period already completed by him/her, by the Director Students' Welfare.
6. If a student becomes physically unfit for NSO training on medical grounds or due to accident or is dropped for any reason, the Director Students' Welfare may temporarily exempt such a student and he/she has to complete the training in the subsequent semester.

9.2.2 NSS

1. The enrolled students are required to attend the NSS for the first four semesters of their studies. However, for B.V.Sc. & A.H. programme students it will be for 3 years.
2. The student is required to put in a minimum of 120 hours per year in NSS. Failure to do so shall earn the student 'US' grade followed by a warning to make-up for the deficiency in the following semester/year. If a student fails to complete the deficiency and is awarded 'US' grade in 2nd/4th semester, he/she shall have to register for the 3rd/5th semester for making up for NSS deficiency, in addition to regular courses.
3. The Vice-Chancellor may exempt any student from NSS, on medical grounds on the production of

a medical certificate from the University Medical Officer and recommendation of the Director Students' Welfare.

4. Aside from putting regular 120 hours in NSS, each student is required to attend two 7-10 days Special Camps. A day at camp is calculated as 7 hours of service. In case of failure to attend the camp, the student has to register for NSS in the next semester/year to make-up for the deficiency of NSS camp, in addition to regular courses.
5. A student who has undergone NSS training in some other College/Institute for a complete academic year may be exempted from NSS training for the period already completed by him/her, by the Director Student's Welfare.

9.2.3 CCA

1. NRIs, OCIs and Foreign National students have an option to enroll either NSS or CCA of 0+1 (NC) for two/three years, as applicable.
2. In the CCA programme, the classes will be held for forty hours a semester or eighty hours a year for the two/ three years, as applicable.
3. A student enrolled under the CCA programme must attend a minimum of 75% classes held in a year. On failure to do so, the student will be awarded US grade and given a warning to make up for the deficiency in the following year. If he/she fails to complete the deficiency and is awarded US grade in the third year, he/she shall have to register for the same group for the purpose of making up for CCA deficiency in the next semester/year, in addition to regular courses.
4. A student may be exempted from CCA on medical grounds by the Vice-Chancellor, on the production of a medical certificate from the University Medical Officer and recommendation by the Director Students' Welfare.
5. The students undergoing CCA training are required to attend one annual training camp during the first two years of training.

CHAPTER XI

FORMULA FOR INTERCONVERSION OF OGPA/OCPA AND AGGREGATE PERCENTAGE OF MARKS

The following conversion formulae have been adopted by the university to determine the equivalence of Overall Credit Point Average (OCPA), Overall Grade Point Average (OGPA) and Percentage of marks

11.1 Formula for Conversion OCPA into Percentage

$$Y = 10Z$$

Where Y = Percent Marks

Z = Overall Credit Point Average (OCPA) in 10.00 point system of evaluation.

11.2 Formula for Conversion of OGPA into OCPA

Undergraduate programme: $Z = (50 - 10X + 5X^2) / 10$

Postgraduate Programmes: $Z = (25X - 15) / 10$

Where Z = OCPA in 10.00 point system of evaluation

X = OGPA in 4 point scale (maximum=4.00) in the letter grade system of evaluation

11.3 Formula for Conversion of OGPA into Percent Marks for B.V.Sc. & A.H. as per VCI Guidelines

Percentage of Marks = OGPA x 100, divided by 10

11.4 Formula for Conversion of OGPA into Percent Marks

$$Y = 50 - 10X + 5X^2$$

Where Y = Percent marks

X = OGPA in 4 point scale (maximum 4.00) in the letter grade system of evaluation

STUDENT LIFE AND CAMPUS ACTIVITIES

At Guru Angad Dev Veterinary and Animal Sciences University, student life extends far beyond academic learning. The University firmly believes that holistic development is essential for shaping competent professionals and responsible citizens. Alongside rigorous academic training in veterinary, dairy and fisheries sciences, students actively participate in sports, cultural events, literary activities, NSS, NCC, community outreach programmes etc.

These activities nurture leadership qualities, teamwork, discipline and social responsibility among students. Participation in inter-college, state and national level competitions provides exposure and confidence, while extension and field programmes strengthen their connection with farming communities and livestock sector. The vibrant campus environment encourages creativity, innovation and healthy competition, ensuring that graduates of GADVASU emerge not only as skilled professionals but also as dynamic leaders ready to serve society.
