VET - GADVASU	Veterinary Entrance Test- Guru Angad Dev Veterinary and Animal Sciences University

INTRODUCTION

Guru Angad Dev Veterinary and Animal Sciences University (GADVASU) started functioning on 21st April, 2006 at Ludhiana, as per Punjab Act no. 16 of 2005 to serve the society by promoting livestock production and health through integrated teaching, research and extension. Guru Angad Dev Veterinary and Animal Sciences University is among the leading agricultural teaching and research institute in India, with focus on promotion of different aspects of Animal Husbandry sector. The GADVASU has been ranked by the ICAR as India's Top Rank State Veterinary University and No.1 State Agricultural University in 2018. The ICAR has accredited GADVASU in 2018 with overall 'A' grade. The University was established with the following goals and objectives:

- To provide adequate supply of trained veterinary, dairy and fishery professionals including Master's and Doctorate level specialists capable of handling livestock health and production aspects according to the needs of the State.
- To undertake research work in selected areas and wherever applicable, following multi-disciplinary approach.
- To provide continuing professional education in all areas related to animal husbandry.
- To provide consultancy and specialist services to livestock owners, governments, semi-governments and allied agencies.
- To run "Referral" hospital for specialized treatment of animals and to provide clinical training to the students.
- To continue faculty development through participation in trainings, conferences, workshops, seminars, symposia and exchange programmes.
- To foster professional linkages, forward and backward, to promote collaboration for academic excellence.

There are four on-campus constituent colleges, viz. College of Veterinary Science, College of Dairy Science & Technology, College of Fisheries and College of Animal Biotechnology imparting undergraduate and postgraduate teaching in their respective areas. Besides, the university has a School of Public Health & Zoonoses to address various health and environment related issues. Three Regional Livestock Research & Training Centres at Kaljharani (Bathinda), Talwara (Hoshiarpur) and Booh (Taran Taran) and three Krishi Vigyan Kendras (KVK) at Booh (Taran Taran), Handiaya (Barnala) and Mazri (Mohali) have been established to cater to the area specific requirements of livestock sector. All the constituents colleges have been accredited by the Indian Council of Agricultural Research (ICAR). A new College of Veterinary Science at Rampura Phul is coming up.

Admission to B.V.Sc. & A.H. is made on the basis of merit in Veterinary Entrance Test (VET) conducted by the university. Admission to B.F.Sc., B. Tech. (Dairy Technology) and B. Tech. (Biotechnology) is on the basis on 10+2 (medical and non-medical) merit.

1. College of Veterinary Science, Ludhiana

The College of Veterinary Science was set up in 1969 as a constituent college of the Punjab Agricultural University, Ludhiana. It has become a part of the Guru Angad Dev Veterinary and Animal Sciences University since its inception in 2006. It carries out teaching, research and extension education programmes pertaining to livestock production and health.

The college is recognized by the Veterinary Council of India (VCI) and has been accredited by the Indian Council of Agricultural Research (ICAR). It has 17 departments having excellent laboratory facilities and infrastructure for the undergraduate and postgraduate teaching and research. There is a well equipped Teaching Veterinary Hospital to

cater to the needs of large and small animal health care. In addition, the college also has an elite dairy herd, a poultry farm, a goat farm and a piggery unit. The ICAR has awarded three Centres of Advance Faculty Training, in the Department of Veterinary Surgery & Radiology, Department of Veterinary Gynaecology and Obstetrics and Department of Veterinary Pathology.

The college offers following programmes of veterinary education:

B.V.Sc. & A.H. (5½ years)
M.V.Sc. (2 years)
Ph.D. (3 years)

The program leading to the award of the B.V.Sc. & A.H. degree is designed to equip the graduates with the knowledge and skills essential for a career in Veterinary Science. The program is divided into three phases: the pre-clinical phase provides education in basic aspects such as Anatomy, Physiology, Biochemistry, Breeding and Animal Husbandry through intramural learning. The para-clinical phase includes bridging subjects between the pre-clinical and clinical phases, such as Pathology, Microbiology, Public Health, Parasitology, Pharmacology, Nutrition and Product Technology. The clinical phase includes Surgery, Medicine and Gynaecology. At the end of the course work, the students undergo a compulsory rotational internship programme of one year in Diagnostic Laboratories, Clinical Practice and Animal Production Technologies.

Successful completion of B.V.Sc. & A.H. programme entitles the graduates to seek mandatory registration with the Punjab State Veterinary Council / Veterinary Council of India as a Registered Veterinary Practitioner. The college and all its ongoing programmes have been accredited with the ICAR with “A” grade.

2. College of Veterinary Science, Rampura Phul

The College of Veterinary Science at Rampura Phul Dist Bathinda is an upcoming constituent institute of the Guru Angad Dev Veterinary and Animal Sciences University.

The college will offer following programme of veterinary education (Subject to permission from the VCI):

B.V.Sc. & A.H. (5½ years)

3. College of Dairy Science and Technology

College of Dairy Science & Technology was established in the year 2008 with an undergraduate programme of four years duration. The college is following all the guidelines and course curriculum as recommended by ICAR Deans’ Committee. There are five departments in the college i.e. Department of Dairy Technology, Department of Dairy Engineering, Department of Dairy Chemistry, Department of Dairy Microbiology and Department of Dairy Economics & Business Management. The college is having excellent laboratory facilities for teaching and practicals for undergraduate and post graduate students. All laboratories are equipped with advanced and modern analytical instruments. The college also has an Experimental Dairy Plant of 5,000 litres milk handling capacity for training of the students. Students are also exposed to practical training in Milk Plants in Public and private sector. The college and all its ongoing programmes have been accredited with the ICAR with “A” grade.

The college offers following programmes in Dairy Science and Technology:

B.Tech. (Dairy Technology) (4 years)
M.Tech. /M.Sc. (2 years)
Ph.D. (3 years)

Post graduate Programmes, M.Tech are available in the Departments of Dairy Technology, Dairy Engineering, Dairy Microbiology and Dairy Chemistry while M.Sc. in Agricultural Economics (Animal Husbandry). Ph.D. programme is available in Departments of Dairy Technology, where as Ph.D. programmes in Dairy Engineering, Dairy Microbiology and Agricultural Economics (Animal Husbandry) will be started from the current academic session 2019-20. ICAR guidelines and Syllabus as per the recommendation have been adopted. The college has developed several Ready to Adopt technologies that have been widely adopted by the industry as well as by self entrepreneurs. All passed out students of the college are well placed either in dairy industry, Govt. department or pursuing higher studies in India or abroad.

4. College of Fisheries

Since its establishment in 2008, the College of Fisheries has registered a commendable academic growth and has made significant contributions in the development of the fisheries sector in the State. There are four departments i.e. Aquaculture, Fisheries Resource Management, Aquatic Environment Management and Harvest & Post-Harvest Technology. It produced quality skilled graduates and postgraduates in Fishery Sciences, generated need based technologies for vertical as well as horizontal expansion of aquaculture sector and transferred technologies to the farmers through an efficient 'Lab to Land' extension programme. The college and all its ongoing programmes have been accredited with the ICAR with "A" grade. Fisheries sector is providing food security and employment opportunities to millions of people. Next to China, India occupies 2nd position in global fish production from inland resources with a commendable annual growth rate of over 6%. After green and white revolution, Punjab is also moving very fast towards 'Blue Revolution' with substantial resources to tap the potential.

The college offers the following programmes of study in fishery sciences:

B.F.Sc. (4 years)
M.F.Sc. (2 years)
Ph.D. (3 years)
Diploma in Inland Fisheries (1year) for nominated inservice candidates

The College is well equipped with an Instructional cum Experimental farm spread over 3 ha of land area for UG and PG teaching, demonstrations and research. This includes nursery ponds, rearing ponds, stocking/production ponds, demonstration ponds, integrated models, modern indoor as well as outdoor hatcheries for carps, catfishes and ornamental fishes, poly houses for overwintering of cold sensitive species, aquarium house, aquatic plant rearing unit, feed mill, raceway etc. The college also has excellent laboratories equipped with modern instruments and facilities for advanced teaching and research. The curriculum of all the UG and PG degree programmes is as per ICAR recommendations, which is delivered

to the students through various efficient learning tools, to inculcate in-depth knowledge and skills in them for professional efficiency.

The college has developed many region specific need based technologies for sustainable aquaculture development in the State, with special reference to small and marginal farmers. College of Fisheries has a success story of developing aquaculture in salt affecting water logged waste lands of South- West districts of the state to its credit, which has benefitted over 200 farmers in the region covering more than 600 acres in last 3 years.

Fishery graduates produced by the college are not only employed in public /private sector but also pursuing higher studies in Institutes of high repute in India as well as abroad.

Fisheries graduates and post postgraduates have substantial scope of employment in public sector [Fish Farmer's Development Agencies (FFDA), State Agricultural/ Veterinary Universities, Agricultural Technology Management Agency (ATMA), Krishi Viigyan Kendras (KVKs), Research Institutes etc.] and private sector (Hatcheries, Feed industry, Processing industry, Pharmaceuticals industry etc.) across the country, besides substantial scope of self- employment and higher studies abroad.

5. College of Animal Biotechnology

During the last three decades, molecular biology and biotechnology have emerged with extensive applications in animal husbandry, medicine, industry and environmental sciences. Recognizing the immense potential of biotechnology in farm animal sector, Guru Angad Dev Veterinary and Animal Sciences University established the Department of Animal Biotechnology in 2008. It was designated as School of Animal Biotechnology in 2010 and has been upgraded as a College of Animal Biotechnology in 2019. The college and all its ongoing programmes have been accredited with the ICAR with "A" grade.

The mandate of the college is to generate scientific expertise, human resource in various facets of animal biotechnology and to develop specialized and state of art facilities for research in cutting edge fields of biotechnology.

The college continues to strengthen teaching and research in different areas of molecular biology and biotechnology for improving animal health and productivity and to cater that three departments i.e. Department of Animal Biotechnology, Microbial & Environmental Biotechnology and Bioinformatics have been created with state of the art infrastructure, excellent laboratory facilities for teaching, research and conduct of practical classes of undergraduate and post graduate students.

The College has dedicated faculty with international exposure and involved in basic and applied research spanning wide spectrum of areas like genomics, molecular diagnostics, vaccinology, stem cell biology, cancer biology, proteomics and bioinformatics with substantial funding from different central agencies like DBT, UGC, DST, ICAR, ICMR etc.

The College offers the following programmes of study in biotechnology::

B.Tech. (Biotechnology) (4 years)
M.V.Sc. (Animal Biotechnology)/ M.Sc. (Biotechnology) (2 years)
Ph.D. (Animal Biotechnology)/ Ph.D. (Biotechnology) (3 years)

B. Tech. (Biotechnology), M.V.Sc./M.Sc. and Ph.D. programmes in Animal Biotechnology/ Biotechnology follow the course curriculum as recommended by the

ICAR. The curriculum has been designed in such a way that the students are developed not only for carrier in teaching and research but imparted skills required by the industry and corporate world.

6. School of Public Health and Zoonoses

The University has established a School of Public Health and Zoonoses, which has the mandate of teaching and research on diagnosis and prevention of zoonotic diseases; food safety and quality control; environmental hygiene and pollutants; and food borne pathogens and their toxins.

The school offers the following programmes of study in Veterinary Public Health and Epidemiology

M.V.Sc. (2 years)
Ph.D. (3 years)

7. Veterinary Polytechnic

The University also runs a Two-year programme leading to award of Diploma in Veterinary Science and Animal Health Technology at Veterinary Polytechnic, Kaljharani, Bathinda; for which there is a separate Prospectus and academic schedule.

Medium of Instruction

Instructions in all the degree programmes and diploma courses are carried out in English language.

FORMULA FOR INTERCONVERSION OF OGPA/OCPA AND AGGREGATE PERCENTAGE OF MARKS UNDER THE TRADITIONAL SYSTEM OF EXAMINATION

The following formulae have been adopted by the University to determine the equivalence of each grade point average from 1 to 4/overall credit point average from 1 to 10 under the semester system in terms of the percentage of marks awarded under the traditional system of examination.

1. For conversion of Overall Credit Point Average (OCPA) into percentage of marks:

$$Y = 10Z$$

Where Y = Percentage of marks in the traditional system

Z = Overall Credit Point Average (OCPA) in 10.00 point system of evaluation.

2. For conversion of Overall Grade Point Average (OGPA) into OCPA:

(a) For Undergraduate programme

$$Z = (50 - 10X + 5X^2) / 10$$

Where Z = OCPA in 10.00 point system of evaluation

X = OGPA (Maximum=4.00) in the letter grade system of evaluation.

(b) For Postgraduate Programmes

$$Z = (25X - 15) / 10$$

Where Z = OCPA in 10.00 point system of evaluation

X = OGPA (maximum=4.00) in the letter grade system of evaluation

3. For conversion of Overall Grade Point Average (OGPA) into Percentage of marks for B.V.Sc. & A.H. as per VCI guidelines

Percentage of Marks = OGPA x 100, divided by 10
