Last date for submission of application: 5 February, 2022

Admission Notice for

**CERTIFICATE COURSE IN
SEMEN HANDLING & ARTIFICIAL INSEMINATION**

Course Importance	<ul style="list-style-type: none">• To enhance professional competence of Veterinary graduates and produce skilled human resource for self-employment and placement in public and private sector.• Artificial Insemination and semen handling is an integral part of veterinary field practices. Successful insemination increases the chances of conception and thus may fulfil the farmer's dream of one calf a year. The handling of semen at field level is one of the most critical step before performing AI.• Training will include basics of storage of semen, semen tank management, handling semen within the tank, thawing semen and inseminating cows. Thus, the trainees will develop competence in AI techniques at field level.
Duration	6 Month (3 Month On-campus & 3 Month Online)
Course Fee	Rs. 30,000; For NRI/OCI candidates US\$1500
Eligibility	B.V.Sc. & A.H.
