Terms & Conditions

- 1. Rates (including the cost of bags if any) should be mentioned for net weight only, FOR Guru Angad Dev Veterinary and Animal Sciences University, Dairy Farm. The bags used for supplying the materials must be in good condition. Weight of empty bags will be deducted from the gross weight received while reaching the figure on net weight. Unloading charges will be borne by supplier on spot extra.
- The rates quoted should be including all taxes and no extra tax and (C) or (D) form will be paid/given. While executing bill payment by the University, 2% of the whole bill amount shall be deducted as TDS on GST.
- 3. The quantity of feed ingredients and supplements mentioned is tentative and can be increased or decreased according to availability of funds and quoted rates. The exact quantity will be mentioned in the supply order.
- 4. The supply of feed ingredients and supplements must be completed within 15 days of issuance of supply order and part supply (30% 40% of the total order) must be made within three days of issuance of supply order.
- 5. The feed ingredients and supplements to be supplied should be in good quality and free from fungus and any other adulterants. In case the ingredients do not meet the physical standards, consignment will be returned immediately. Further, the supplied feed ingredients will be analyzed for proximate analysis in the university lab and only the consignment meeting the desired specifications will be accepted. The test report from the university lab will be taken as final for decision on acceptance/ rejection of consignment.
- 6. In case of failure of feed sample for desired specifications, the supplier has to exchange the feed ingredients and supplements within two working days, which will be retested in the university lab for quality check. In this case, the supplier will be charged Rs. 5000/-, deductible from the earnest money.
- 7. In case, the second consignment also does not meet the desired specifications, the supplier will be charged Rs.20,000/-, and the university will have the right to procure the same ingredient from other supplier. In this case, the difference in the cost of ingredient if any will be borne by the original supplier i.e. L-I. Further, the supplier has to lift the rejected feed ingredients within 02 days of intimation. Thereafter, the university will have the right to dispose of the rejected consignment as per convenience, and university will not be responsible for any damage/loss of feed ingredients.
- 8. In case of failure of supplier to exchange the feed ingredients not meeting desired specification within two days, then cut will imposed on bill raised by the supplier as per approved terms and condition.
- 9. University reserves the right to reject any or all tenders without giving any reason.
- 10. Tender rates will be valid up to 10 days from the date of opening of tender and firm will be bound to supply the any quantity of repeat order at the quoted rate if asked for.
- 11. The supply of the material ordered has to be made up to minimum of 95% of the ordered
