Vice-Chancellor

Guru Angad Dev Veterinary and Animal Sciences University (GADVASU) is well known for academic excellence owing to its State-of-Art infrastructure; dynamic competent faculty; well-equipped laboratories; and multispecialty utility services in the field of animal husbandry, dairy and fisheries. The academic session 2022-2023 of the university is going to start at a very positive and hopeful note after almost 2 years of COVID-19 pandemic lead restrictions on offline teaching. During the pandemic, university made every possible effort to upkeep its education standards amidst all challenges through online and offline learning modules, along with constant counselling and motivation of the students to sustain their zeal to learn.

With five constituent colleges viz., College of Veterinary Science, College of Dairy Science & Technology, College of Fisheries and College of Animal Biotechnology at Ludhiana and College of Veterinary Science at Rampura Phul, Bathinda, GADVASU is producing world class professionals, including graduates and postgraduates (Master's and Ph.D) to serve the animal husbandry, dairy and fisheries sectors at regional, national and global levels. In addition to this, number of skill-oriented diploma, certificate and short courses have also been introduced by the university to promote entrepreneurship development through specialized capacity building in key areas of interest. Alumni of the university is well settled in India and abroad, serving the sector in various capacities or have excelled in their own exemplary enterprises, with high stature recognitions in the field of academics, research and other fields.

The academic repute of the university has always attracted meritorious candidates from all over India and abroad. I hope that the new academic session 2022-23 will also attract the best talent from all parts of India and the students will excel in academics, co-curricular and extra-curricular activities, so that they get transformed into proficient professionals to help the animal husbandry, dairy and fisheries sector in achieving the envisaged socio-economic national goals.

# COLLEGE OF VETERINARY SCIENCE, LUDHIANA

## 2.1 INTRODUCTION

The College of Veterinary Science was set up in 1969 as a constituent college of the Punjab Agricultural University, Ludhiana. With the formation of new university, it became a part of the Guru Angad Dev Veterinary and Animal Sciences University in 2006. The college has 17 departments with excellent laboratory facilities and infrastructure for undergraduate (UG) and postgraduate (PG) teaching and research.

The college owns a well-established Livestock Farm Complex comprising of an elite dairy herd, a poultry farm, a goat farm and a piggery unit. Multi-Speciality Veterinary Hospital caters to the need of large and small animal healthcare. The college has distinction of having three Indian Council of Agricultural Research (ICAR) Centers of Advance Faculty Training in Veterinary Surgery and Radiology, Veterinary Gynaecology and Obstetrics, and Veterinary Pathology.

Bachelor of Veterinary Science (B.V.Sc. & A.H.) degree is designed to equip the graduates with the knowledge and skills essential for a career in Veterinary Science and Animal Husbandry as per Veterinary Council of India (VCI) norms. The programme is divided into three phases: the pre-clinical phase to provide education in basic aspects such as Veterinary Anatomy, Physiology, Biochemistry, Genetics, Breeding and Extension. The para-clinical phase includes bridging subjects between the pre-clinical and clinical phases such as Veterinary Pathology, Microbiology, Public Health, Epidemiology, Parasitology, Pharmacology, Toxicology, Nutrition, Livestock Farm Practices and

Livestock Products Technology. The clinical phase includes Veterinary Surgery & Radiology, Medicine, Gynaecology and Obstetrics. At the end of the course work, the students undergo a compulsory rotational internship programme.

Successful completion of B.V.Sc. & A.H. programme entitles the graduates to seek mandatory registration with Punjab State Veterinary Council/Veterinary Council of India as a Registered Veterinary Practitioner. The college is recognized by VCI and all the ongoing UG and PG programmes in the college have been accredited by the ICAR with 'A' grade.

# COLLEGE OF FISHERIES

## 6.1 INTRODUCTION

College of Fisheries (COF), one of the constituent colleges of GADVASU, was established in April, 2008, to produce professionally competent human resource (graduates and postgraduates) to serve the fisheries sector in different capacities (teaching, research, extension, planning and livelihood generation) for holistic development through productivity enhancement and socio-economic sustainability. Since its establishment, the College has registered a commendable academic growth and has made significant R&D contributions for the development of the inland fisheries sector in the north-western region of India. With five departments, competent experienced faculty, smart classrooms, fully equipped modern laboratories and a well-developed "Instructional cum Research Farm" (spread over an area of 6 ha), COF, GADVASU possesses hi-tech facilities for effectual teaching, capacity building (experiential learning, skill development, trainings and demonstrations), advanced research and extension programs.

Fisheries college is accredited by the ICAR with "A" grade and is offering undergraduate (UG) and postgraduate (PG) degree programs in different disciplines of fisheries. The course curriculum of its four-year UG degree program, Bachelor of Fisheries Science (B.F.Sc.), is being offered as per Indian Council of Agricultural Research (ICAR)- 5th Deans' Committee Recommendations and is divided into eight semesters. During the first 3 years (1st to 6th semester), students are taught different courses (theory and practical) covering various aspects of fisheries and they undergo 'STUDENT READY PROGRAM' during the last year (7th & 8th semesters) of the degree program, including :**i)** In-plant Training (8 weeks), Rural Fisheries Work Experience (RFWE) (8 weeks) and 1-Month "Study Tour" during 7th semester and **ii)** Experiential Learning, Skill Development (1-Week) and Project Development Program during the 8th semester, to instill entrepreneurial proficiency among the fishery graduate for self-reliance.

The curriculum of the PG degree programs offered by the College viz. 2 years Master of Fisheries Science (M.F.Sc) and 3 years Doctor of Philosophy (Ph.D.), is also based on ICAR- BSMA (Broad Subject Matter Area) regulations, comprising of course work and research project towards submission of thesis/dissertation as an integral part for award of respective degree.

# COLLEGE OF ANIMAL BIOTECHNOLOGY

## 7.1 INTRODUCTION

During the last three decades, molecular biology and biotechnology have emerged with extensive applications in animal husbandry, medicine, industry and environmental sciences. Recognizing the immense potential of biotechnology in animal sector, the Guru Angad Dev Veterinary and Animal Sciences University established the Department of Animal Biotechnology in 2008.

It was designated as School of Animal Biotechnology in 2010 and upgraded to College of Animal Biotechnology in 2019.

The mandate of the college is to generate scientific expertise, human resource in various facets of animal biotechnology and to develop specialized facilities for research in cutting-edge fields of biotechnology. The college is also involved in basic and applied research spanning a wide-spectrum of areas like genomics, molecular diagnostics, vaccinology, stem cell biology, cancer biology, proteomics, and bioinformatics.

To cater the needs of undergraduate and postgraduate teaching and research, three departments viz., Animal Biotechnology, Microbial & Environmental Biotechnology and Bioinformatics have been created with excellent infrastructure and laboratory facilities. For the UG and PG teaching, the college is following the course curriculum are commended by the ICAR. The college has been accredited by the ICAR with 'A' grade.

## 9.5 Fee Concession for All Undergraduate & Postgraduate Programmes

University may grant fee concession to the needy students having financial difficulty in continuing with their studies on merit-cum-means basis. The different controlling officers can remit tuition fees in academic programmes as proposed below:

1. The Dean of the concerned college can remit tuition fee of upto 10% of students in each UG class (Academic year wise). In these 10% students, 3% will be granted 100%, next 3% will be granted 50% and remaining 4% will be granted 33.3% concession in tuition fee. The students with lowest family income will be given priority in higher slab of fee concession. However, the girl students will be given priority in full tuition fee concession to promote education of a girl child from the economically weaker sections.

2. The Dean Postgraduate Studies can remit upto 33.3% tuition fee of upto 10% of students of all the Masters Programmes combined together having been admitted in a respective college during a given academic year on the recommendation of Head of the Department and Dean of the concerned college.

3. The Dean Postgraduate Studies can remit upto 33.3% tuition fee of upto 10% of students of all the Ph.D. Programmes combined together having been admitted in a respective college during a given academic year on the recommendation of Head of the Department and Dean of the concerned college. This will be mainly on the basis of merit and the means (if warranted).

4. The Dean College of Veterinary Science, Rampura Phul can remit tuition fee of upto 10% of students of Diploma in Veterinary Science and Animal Health Technology admitted during a given academic year on recommendation of the Principal-cum-Joint Director, Veterinary Polytechnic and the Regional Research and Training Centre, Kaljharani. Out of these 10% students, 3% will be granted 100%, next 3% will be granted 50% and remaining 4% will be granted 33.3% concession in tuition fee. The students with lowest family income will be given priority in higher slab of fee concession. However, the girl students will be given priority in full tuition fee concession to promote the education of a girl child from economically weaker sections.

The proposed general guidelines to be followed in all the above cases are given below:

### A. General criteria:

i. The eligibility of the student will be on merit-cum-means basis to help such students having financial difficulty in continuing with their studies.

ii. The students interested in availing fee concession must submit their application/form along with requisite document(s)/certificate(s) such as an affidavit with respect to the family income (income certificate from Tehsildar as per Annexure with details of income from different sources) and academic profile in the concerned Dean/Principal office within one month of their registration for timely processing of the application for fee concession/refund/adjustment.

### B. Wards of working and retired C and D employees of the GADVASU:

The fee concession may be granted up to two wards of the working and retired group C and D employee of GADVASU. A concession of 66.7% in tuition fee will be given to the first and 33.3% to the second child. However, the girl students will be given priority in full tution fee concession to promote the education of a girl child from the economically weaker section.

### C. Admission fee and other charges from SC students under Post Matric ScholarshipScheme:

## FORMULA FOR INTERCONVERSION OF OGPA/OCPA AND AGGREGATE PERCENTAGE OF MARKS

The following conversion formulae have been adopted by the university to determine the equivalence of Overall Credit Point Average (OCPA), Overall Grade Point Average (OGPA) and Percentage of marks

### 9.1 Formula for conversion OCPA into percentage

$$Y = 10Z$$

Where      Y = Percent Marks

             Z = Overall Credit Point Average (OCPA) in 10.00 point system of evaluation.

### 9.2 Formula for conversion of OGPA into OCPA

Undergraduate programme: $Z = (50-10X + 5X^2)/10$

Postgraduate Programmes: $Z = (25X-15)/10$

Where      Z = OCPA in 10.00 point system of evaluation

             X = OGPA in 4 point scale (maximum=4.00) in the letter grade system of evaluation

### 9.3 Formula for conversion of OGPA into Percent marks for B.V.Sc. & A.H. as per VCI guidelines

Percentage of Marks = OGPA x 100, divided by 10

### 9.4 Formula for conversion of OGPA into Percent marks

$$Y = 50–10X + 5X^2$$

Where      Y = Percent marks

             X = OGPA in 4 point scale (maximum 4.00) in the letter grade system of evaluation
